AMENDMENT
to the
ARCHITECTURAL GUIDELINES
for

WIMBLEDON ESTATES HOMEOWNERS ASSOCIATION

THE STATE OF TEXAS §
 §
COUNTY OF HARRIS §

I, DAVID BOND, Secretary of Wimbledon Estates Homeowners Association, a Texas non-profit corporation (the "Association"), do hereby certify that in the open session of a properly noticed meeting of the Association's Board of Directors duly called and held on the 12 day of September, 2022, the following Amendment to the Architectural Guidelines for Wimbledon Estates Homeowners Association was approved by at least a majority of the Board:

RECITALS:

1. The Board of the Association previously adopted Architectural Guidelines for the Association, which guidelines are set forth in that certain document entitled "Architectural Guidelines for Wimbledon Estates Homeowners Association, Inc." attached to the "Notice of Dedicatory Instruments for Wimbledon Estates Homeowners Association, Inc." filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File No. X047626 ("Architectural Guidelines").

2. The Architectural Guidelines were amended by those certain instruments entitled "Certificate of Secretary of Wimbledon Estates Homeowners Association, Inc. regarding Amendment to Architectural Guidelines," "Certificate of Secretary of Wimbledon Estates Homeowners Association, Inc. regarding Amendment to Architectural Guidelines," "Amendment to the Architectural Guidelines for Wimbledon Estates Homeowners Association, Inc.," and "Amendment to Architectural Guidelines for Wimbledon Estates Homeowners Association, Inc." filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File No. 20100352118, 20110392101, 2017-356496, RP-2018-105146, and RP-2022-137011 (the Architectural Guidelines as amended are still referred to as "Architectural Guidelines").

The Board of the Association hereby amends the Architectural Guidelines as set forth below:

1. The title of Section 4.18 is amended and restated to read:

4.18 Siding/Gutters/51% Masonry Requirement.

2. Section 4.18.2 is amended and restated to read as follows:

4.18.2 All permitted siding (See Section 4.18.5) on the exterior of the main residence must be painted to match the exterior colors of the main residence.

3. Section 4.18.5 is added to read as follows:

4.18.5 This Section 4.18.5 is to confirm and clarify the Association and the ACC's prohibition with regard to exterior siding. With regard any provision in the applicable Reservations, Restrictions and Covenants (or similarly named document) that requires that the exterior covering of a residence be at least fifty-one percent (51%) masonry, the siding commonly called "hardiplank" or any similar product shall not be considered masonry when determining compliance with the fifty-one percent (51%) masonry requirement. The ACC shall have the authority to determine (subject to an appeal to the Board) what constitutes a prohibited exterior covering contemplated by this Section 4.18.5. Stucco shall be considered masonry for the purposes of determining compliance with the fifty-one percent (51%) masonry requirement. This Section 4.18.5 applies and is enforceable against all lots that do not have ACC approval for any exterior siding product as of the date this amendment is filed in the Official Public Records of Real Property of Harris County, Texas.

All other provisions of the Architectural Guidelines of the Association shall remain in full force and effect.

This Amendment to the Architectural Guidelines shall be effective as of the date it is filed in the Official Public Records of Real Property of Harris County, Texas.

I hereby certify that I am the duly elected, qualified and acting Secretary of the Association and that the foregoing resolution was approved as set forth above and now appears in the books and records of the Association. The approval of at least a majority of the Association's Architectural Control Committee to this Amendment to the Architectural Guidelines is evidenced by the signatures of the members of the Architectural Control Committee below.
