to be administered hereunder shall select the members of

the Committee at a meeting called by Wimbledon Venture as provided below. All such members of the Committee so se-

each whole lot contained within such building site.

Wimbledon Venture shall be obligated to arrange

within six (6) months after the sales of all lots in such

The results of any such election and of any removal or replacement of any member of the Committee may be evidenced by the recording of an appropriate instrument properly signed and acknowledged in behalf of Wimbledon Venture or by a majority of the then eligible property owners voting in such election.

After the first such election shall have been held, thereafter the Committee shall be obligated to arrange for elections (in the manner and after notice as set forth above) for the removal and/or replacement of Committee members when so requested in writing by ten (10) or more lot owners who are eligible to vote pursuant to the foregoing provisions. Members of the Committee may, at any time, be relieved of their position and substitute members thereof designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment, pending an election as hereinabove provided for.

(in the exclusive judgment of the Board of Directors of each of the joint venturers), then the Board of Directors of each of the joint venturers, jointly, may validly perform such function.

c. The members of the Committee shall be entitled to such compensation for services rendered and reimbursement for reasonable expenses incurred as may, from time to time, be authorized or approved by Wimbledon Venture, until the formation of the Corporation, and then the Board of Directors of the Corporation. All such sums payable as compensation and/or reimbursement shall be payable only out of the "Maintenance Fund" hereinafter referred to.

In the event that the Committee fails to approve or disapprove in writing any plans and specifications and plat submitted to it in compliance with the preceding provisions within fifteen (15) days following such submission, such approval will not be required and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all of the other terms and provisions hereof.

Effect of
Approval

5. The granting of the aforesaid approval shall constitute only an expression of opinion of the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat or in the event that such building and/or improvements are constructed in accordance with such plans and specifications and plat but, nevertheless, fail to comply with the provisions.

The color, texture, type and quality of all exterior materials, including but not limited to brick, wood, roofing materials, plaster and concrete, shall be approved by the Committee. Further, the design and location with respect to topography and finished grade elevation shall be subject to approval by the Committee. The foregoing provisions shall be applicable to all structures when initially erected and all alterations, modifications and maintenance thereof. No building shall be located on any lot nearer than five (5) feet to an interior side lot line, except that a detached garage or other permitted accessory building located sixty-five (65) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior side lot line. No garage located closer than sixty-five (65) feet to the front property line of a lot shall face and open at less than a ninety degree (90°) angle to such front property line. No garage which opens toward a side street shall face and open at less than a ninety degree (90°) angle to such side street.

Any modification of a building site (changing such building site from either a single lot building site or from a multiple whole lot building site), whether as to size or configuration, may be made only with the prior written approval of the Committee. Upon any such required approval having been obtained, such composite building site shall thereupon be regarded as a "lot" for all purposes hereunder, except, however, for purposes of voting for the Committee (as provided under Paragraph 2.b above), an owner shall be entitled to one (1) vote for each whole lot within such owner's building site.

The location of such field offices may be changed from time to time, as lots are sold. Such rights to maintain such field offices (or permit such field office to be maintained) shall cease when directed by Wimbledon Venture and in any case no later than the time at which all lots in the Subdivision and each other section or area being administered hereunder, except the lot upon which such field office is located, have been sold.

7. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept as household pets provided they are not kept, bred or maintained for commercial purposes and provided they do not constitute a nuisance.
