

"As parents of Blair, who was born with physical and intellectual disabilities, we thought we would never have peace of mind about our child's daily care, support, love or life. When we were blessed to find Reach Unlimited, the peace enveloped our souls. It was a simple peace found in the eyes and smiles of our precious child."

VICKI AND KENNY SCIANNA - PARENTS OF A FORMER REACH MEMBER

About Reach Unlimited

For nearly forty years, Reach Unlimited has been dedicated to providing exceptional support services for people with special needs.

Reach Unlimited is an innovative special needs organization that serves children and adults ages 12 to 83 throughout Houston. In addition to providing a wide-ranging residential program boasting 23 multi-member homes, Reach is doing awesome work providing individualized learning opportunities, employment skills, and a comprehensive co-curricular program to prepare each of our members to reach their full potential.

In addition to exceptional skills development and care, Reach provides members with social outings, sports and recreations, access to arts and culture, several therapeutic programs, and transportation. The phenomenal work Reach is doing is only possible with the support of the community
