

## **Westfield HOA**

### **SHREDDING DAY**

**May 6, 2023 from 9am-12pm**

**Location:** Westfield Estates pool parking lot across the street from Polly Ann McRoberts Elementary School on the West side of Fry

Hello Homeowners,

If you have important documents that are no longer useful and need to be destroyed, we have your solution! Westfield HOA is partnering with Westfield Terra (Estates) in hosting a Shredding Day by hiring a shredding company to get rid of any documents that you can't just throw away but no longer need to keep in person.

This is a secure truck that will shred your documents while you watch. They will be there from 9am - noon on May 6th for your convenience. Just drop on by with your documents and they will take care of the rest.

This is an easy way for you to dispose of these items. They will only shred paper products. This is not a truck that will haul away just any item you no longer need, this is for **DOCUMENTS ONLY.**

If you have any questions or concerns, please email our Community Manager at [majohnson@spectrumam.com](mailto:majohnson@spectrumam.com).

Sincerely,

Westfield Board of Directors
